

### **Gerken, Bechtel meet to discuss AMPGS project**

*As a follow-up to signing a contract with Bechtel Power Corporation, naming it the engineer-procure-construct contractor for the American Municipal Power Generating Station, AMP-Ohio President/CEO Marc Gerken met with Riley Bechtel, chairman/CEO of Bechtel to discuss how the project should move forward to issuing the final notice-to-proceed in 2010. Pictured (from left) are G. Lee Lushbaugh, president of Bechtel Fossil Power; Riley Bechtel; Marc Gerken; and Larry Marquis, AMP-Ohio vice president of project development.*
